# Downtown Parking Regulations

Any vehicle may park for up to two continuous hours in the Downtown Parking District. Vehicles with employee parking permits may exceed the time limits in on- or off-street 2 Hour/Employee (2 HR/E) areas. Permits must be displayed in the bottom, driver's side corner of the windshield.

Some off-street lots may have parking stalls marked "RESERVED." These stalls are not available for public parking and may only be occupied by authorized vehicles. Lots not shown on this map are not operated by the City of Klamath Falls Parking District and do not offer City public parking.

Residential/Overnight Parking Permits allow Downtown residents and other users to park all day in the Ross Ragland lot, Willow lot, Northeastern row of the Cottonwood lot, and middle row of the Aspen lot.

Parking Lot		Employee Parking (2 HR/E)	Residential Parking	Reserved Parking
