

FOR IMMEDIATE RELEASE

MAIN-E MAIN BUSINESS ACCESS - DETOUR ROUTE

KLAMATH FALLS, OR – June 27, 2024. The Main and E Main Street intersection reconstruction project has now been underway for over a week. Please take caution while traveling around work zones.

As we work diligently to improve our infrastructure, we encourage you to use alternate routes to navigate around the closure. Please take a look at the map below for detour routes to aid in planning your travel.

While construction is underway, don't forget to support our amazing local businesses on E Main Street! They are open and ready to serve you, and your patronage means the world to them.

We're excited that this project will result in significantly easier access from Main St. to E Main Street, making your routes smoother and more efficient, while also improving linkages to Michigan and N Eldorado Avenue. This project will help both traffic and pedestrian access, ensuring everyone's safety.
