

FOR IMMEDIATE RELEASE

Date: July 30, 2024

Subject: Lane Reduction – 6th Street Viaduct

The 6th Street Viaduct will be reduced to one lane from 7:30 AM – 5:00 PM on August 1st to perform coring samples on the bridge in preparation for future construction related activities. This is the stretch of 6th Street that is a bridge over Spring Street and the Union Pacific Railroad.

For more information, please contact Public Works at 541-883-5363.
