FOR IMMEDIATE RELEASE

Date: August 20, 2024

Subject: Installation of aerial lines across S 6th Street.

On August 25th & 29th, Morello Construction crews working for Charter Communications will be removing and replacing aerial communication lines across S 6th Street. Lane closures will be in place on S. 6th Street and Washburn Way to facilitate the crossing. Traffic Control and flaggers will be in place during construction hours. Crews will be working during early morning hours on both days. Please take caution when travelling through construction areas.

For more information, please contact Brandon Franquero at 541-887-2285.
