## **GEOHERMAL STARTUP DELAY**

**KLAMATH FALLS, OR – October 3, 2024.** City of Klamath Falls' goal is to have the downtown geothermal system started by the first week of October each year. Unfortunately, due to complications with startup this will be delayed. Crews are working diligently to solve the issues. The City will update the public with another press release when the geothermal system is on and available for use.

We apologize for any inconvenience and appreciate your understanding and patience.
