## City of Klamath Falls Water Division

**KLAMATH FALLS, OR – Tuesday March 4<sup>th</sup> – Thursday March 6<sup>th</sup>, 2025**, Water Division crews will be performing Reservoir Maintenance.

### **Reservoir Maintenance Crew-**

On Tuesday March 4<sup>th</sup>, 2025, crews will be performing inspections and preventative maintenance on Prescott Reservoir. The division's goal is to have all maintenance completed by Thursday March 6<sup>th</sup>, 2025. During this time some portions of the water system may see reduced pressures compared to normal. Once work is completed all areas should return to their normal system pressures. See the map below for areas affected, which are highlighted in yellow.

Water Division Staff would like to thank our citizens in advance for their patience during this maintenance down time.

If you would like more information please call the Water Division at (541) 883-5388 or City Public Works Department at (541) 883-5363.
