FOR IMMEDIATE RELEASE

CITY OF KLAMATH FALLS ACCPETING APPLICATIONS FOR DOWNTOWN PEDLET/PARKLET PROGRAM

KLAMATH FALLS, OR – March 13, 2025   The City of Klamath Falls, in partnership with the Klamath Falls Downtown Association, is announcing the opening of the application period for the downtown Seasonal Pedlet/Parklet Program available for businesses located within the downtown corridor.

A pedlet is a temporary thoroughfare that allows a business to use the sidewalk as an expanded outdoor dining space while providing a safe area for pedestrians to bypass. The pedlet occupies one to two parallel parking spaces, is level with the sidewalk, and is ADA compliant. A parklet places the outdoor dining area within the adjacent parallel parking area instead of the sidewalk leaving the sidewalk open for pedestrian use.

The City of Klamath Falls has fabricated two pedlets in collaboration with Healthy Klamath and the Klamath Falls Downtown Association. Pedlets were first introduced downtown in 2021 and have been available to applicants since. They were well received and added vibrance and outdoor dining to our downtown area. If interested, a business may also apply to construct its own pedlet/parklet. Applicants for the two City-provided pedlets are encouraged to provide as much detail and information as possible when applying as the requests are expected to exceed the two available pedlets. If approved, a $500 fee will be required for City resources and staff time for administration of the pedlet program, including pedlet delivery, installation, disassembly and haul-off, and off-season storage.

The Seasonal Pedlet Program Manual and Application can be found on the City's website at: https://www.klamathfalls.city/499/Downtown-Klamath-Falls. If you would like more information, please contact City Development Services at (541) 883-4950 or email: devservices@klamathfalls.city.
