FOR IMMEDIATE RELEASE

Klamath Falls, April 3, 2025- The City of Klamath Falls Parks Division will begin work on replacing the irrigation line in the tennis court and old tennis court parking lots at Moore Park starting Monday, April 7th.

To accommodate construction activities, the park loop road will be closed to vehicle traffic. Dump trucks will be hauling materials between the shop area and the parking lot, utilizing the one-way portion of the loop road for return trips.

Pedestrians are encouraged to use caution while walking in the area and to be aware of construction vehicles in operation.

A map highlighting the affected area is included with this release for reference.

The City appreciates the public's patience and cooperation as we work to improve the park's infrastructure.

For questions or additional information, please contact the City of Klamath Falls Parks Division at 541-883-5351.
