## **FOR IMMEDIATE RELEASE**

**Date:** March 28, 2025

**Subject:** Shasta Way & Avalon St. Intersection Traffic Control

Beginning on Monday, March 31st, and continuing through Friday, April 4th, Shasta Way will be tapered down to 2 lanes at the Avalon Street intersection. The center turn lane will be used as a straight / turn lane, leaving one travel lane closed to allow for a safe work zone for intersection construction to accommodate the WinCo Foods grocery store project. This lane closure will occur from 7:00 AM to 6:00 PM each day and is weather dependent, as safety of the construction workers and the public is the highest priority. Motorists are encouraged to avoid the intersection, if possible, to minimize congestion.
