FOR IMMEDIATE RELEASE

CITY OF KLAMATH FALLS ACCPETING APPLICATIONS FOR PARKS CONCESSIONS

KLAMATH FALLS, OR – April 11, 2025 Klamath Falls, Oregon - The City of Klamath Falls is now accepting applications for the Parks Concession program for 2025. This exciting program will bring a variety of food and beverage options to select City parks, enhancing the overall experience for park patrons.

Food Trucks, Trailers, and Cart owners have the opportunity to request a space at one of our beautiful City parks. This program aims to provide convenient food and drink options for park visitors while also supporting local businesses.

Space at the parks will be limited, so interested vendors are encouraged to apply early. The City will review all applications and select a diverse group of vendors that offer a range of food and beverage options. Vendors must meet certain criteria and adhere to all health and safety regulations set by the City and partner agencies.

The Parks Concession program is just one of many initiatives the City is implementing to enhance the quality of life for its residents. Klamath Falls' parks are already popular destinations, and this program will add amenities to make our parks more enjoyable.

For more information on how to apply as a vendor or any other inquiries about this program, please visit <https://www.klamathfalls.city/1503/Parks-Concession-Pilot-Program> or contact the Development Services Department at (541) 883-4950.
