Subject: Shasta Way Intermittent Lane Closures

Utility work for the WinCo Grocery Store continues. Shasta Way, between Avalon Street and Fred Meyer, will intermittently be shut down to only one lane of travel. These lane closures will begin next Monday, June 9th and continue for at least the next 3 weeks, Monday through Friday. Times will vary, anywhere from 6:00 AM to 7:00 PM each day. Flaggers, in conjunction with the appropriate signs/barricades, will control traffic. Avalon Street and Shasta Way will continue to have heavy truck traffic. It is highly recommended that motorists avoid this area, as the delays will be longer than usual. Any questions can be directed to Dan Hendrickson at 858-568-0123.
