FOR IMMEDIATE RELEASE

Date: April 18, 2025

Subject: Klamath Avenue Street Maintenance and Striping Work Scheduled
Next Week

The City of Klamath Falls Street Division will be conducting street maintenance work next week, including patch paving and bike lane striping.

From Monday, April 21 through Thursday, April 24, the Street Division will be grinding and paving patch sections along **Klamath Avenue**, beginning at **2nd Street** and progressing east to **11th Street**. Drivers should expect intermittent lane closures, traffic control, and possible delays in the area during work hours.

In addition, the City's Paint Crew will be refreshing and painting the **bike lane on Oregon Avenue** from **Tuesday, April 22 through Friday, April 25**. This work may also require temporary lane adjustments.

The City urges motorists, cyclists, and pedestrians to use caution, follow posted signs, and respect all traffic control measures for the safety of workers and the public.

We appreciate your patience as we work to improve our streets and infrastructure.
