Position Description

Position: Street Equipment Operator II	Group: AFSCME
Department/Div.: Public Works/Streets and Equipment	FLSA: Non-Exempt/Represented
Evaluated by: Streets and Equipment Supervisor	Salary Grade: 113

Summary

An employee in this position works under direct supervision and is expected to perform duties based on instructions or specific objectives received from designated Lead, Streets and Equipment Supervisor, or Streets and Equipment Manager. An employee in this position performs skilled work in operating light to heavy equipment, involving considerable manipulative skills. Work assignments are generally given verbally for the more routine duties; special tasks may be accompanied by written work orders. The work is generally performed independently and is checked for compliance with instruction, observation of safe practices, and care of equipment. Must be able to work any shift or hours assigned, including overtime, weekends, on-call periods, and holidays. This is a non-supervisory position.
