- (b) Ice to remain on such sidewalk and ADA ramps for a period longer than the noon after the ice has formed, unless the ice is covered with sand, cinders, or other

suitable material, to assure safe travel. This provision is intended to require ice mitigation at least once a day, no later than noon;

- (c) Sand, cinders, or other material to remain on such sidewalk and ADA ramps for a period longer than 48 hours after the ice is melted, if the sand, cinders, or other material was placed on the sidewalk by such owner or person in charge.
- (2) The owner or person in charge of property, improved or unimproved, vacant or occupied, abutting a public sidewalk, shall clear the snow and ice on sidewalks and ADA ramps, as required in Subsection (1) to a minimum path of 48 inches wide for safe pedestrian travel. If the sidewalk is less than 48 inches in width, the entire width shall be cleared.
- (3) No owner or person in charge of property, improved or unimproved, vacant or occupied, abutting a fire hydrant, shall permit snow or ice to remain within a radius of three feet from the fire hydrant later than noon. - (6) To address pedestrian safety issues in a timely manner following winter snow events, between November 1 and March 31 of each winter season, the Officer shall give notice to all owners and persons in charge of property of their duties to keep the sidewalk(s) adjacent to their property free from ice and snow. The notice shall be given in a manner most reasonably calculated to

notify owners and persons in charge of property of their duties. The notice shall state that after the date designated, the City intends to abate all such nuisances 48 hours or more after the violation occurred and to charge the cost of doing so as to any particular parcel of property to the owner thereof, the person in charge thereof, or the property itself. This general notice shall be in lieu of the notice required by Section 5.664. In addition to, and in conjunction with the notices, the Officer shall provide all electronic media in the area, with copies of the notice for their use, as they deem appropriate.

- (7) Prior to the first abatement of a violation of Subsection (1), the Officer shall send an individual notice of violation via first class mail to the owner and, if the property is occupied, the person(s) in charge of the property. The individual notice need only be sent once per snow season and shall inform the recipient that, within five days of the notice, and at any time 48 hours or more from the date of subsequent violation(s) for the rest of the winter season, the City may abate any violation of this Section on any property owned and/or occupied by the intended recipients of the individual notice, with the cost to be charged against the property, or the owner or person in charge.
- (8) The City's general and individual notices as provided for by this Section, and any actions taken by the City to abate such conditions:

In addition to and in conjunction with published notices, the Officer shall provide all electronic media in the area with copies of the notice for their use as they deem appropriate.
- (6) If the published notice provided for in Subsection (5) is used, it shall be in lieu of the notice required by [Section 5.664](#). Provided, however, that prior to abatement of any such noxious vegetation by the City, the Officer shall cause a seasonal notice of

violation to be sent via first class mail to the owner of the property, and to the person in charge of such property, if the property is occupied. The seasonal notice need only be sent once per noxious vegetation growing season and shall inform the owner and, if applicable, the person in charge, that at any time 10 or more days from the date of the notice, and for the rest of that growing season, the City may cause the noxious vegetation on any property they own to be abated, with the cost to be charged against the property, or the owner or person in charge thereof.

- (7) Where strict compliance with the requirements of Subsection (3) above would be impractical as they apply to a certain type of vegetation or to a certain parcel of property, the Officer may, after inspecting the property, waive the requirements as they so apply and require perimeter cutting that will meet the basic intent of this Section.

If the City Manager determines that the tree or shrub causing such obstruction will be a nuisance by causing frequent recurrence of such trouble and that it should be destroyed, he/she shall, after removal of the obstruction, proceed to have the tree or shrub removed as provided in this chapter for the abatement of nuisances.
- (8) When the roots of a tree or shrub of any kind grow in a manner so as to damage, or it is evident that such roots will damage, any sidewalk, curb or street pavement or a portion thereof, the City Manager shall proceed to have that portion of the tree or shrub causing such damage removed. - (2) A person responsible, protesting that no nuisance exists, shall file with the City Manager a written statement which shall specify the basis for so protesting.
- (3) The statement shall be referred to the Council as a part of its regular agenda at its next succeeding meeting. At the time set for consideration of the abatement, the person protesting may appear and be heard by the Council and the Council shall determine whether or not a nuisance in fact exists. The determination shall be entered in the official minutes of the Council. Council determination shall be required only in those cases where a written statement has been filed as provided.
- (4) If the Council determines that a nuisance does, in fact, exist, the person responsible shall, within the relevant abatement period after the Council determination, abate the nuisance.

5.668 JOINT RESPONSIBILITY

If more than one person is a person responsible, they shall be jointly and severally liable for abating the nuisance or for the costs incurred by the City in abating the nuisance.

5.670 ABATEMENT PERIODS

- (1) The person responsible shall abate nuisances within the following time periods:

- (a) 30 days for nuisances specified in [Sections 5.628 and 5.664](#).
- (b) 10 days for nuisances specified in [Section 5.656](#).
- (c) 5 days for all other nuisances for which the abatement period is not otherwise provided.

[Amended by Ordinance No. 09-02, enacted March 2, 2009.]

5.672 ABATEMENT BY THE CITY

- (1) If, within the time allowed, the nuisance has not been abated by the person responsible, the City Manager or his/her designee may cause the nuisance to be abated.
- (2) The City shall have the right at reasonable times to enter into or upon property to investigate or cause the removal of a nuisance.
- (3) The City Manager or his/her designee shall keep an accurate record of the expense incurred by the City in physically abating the nuisance and shall include therein a charge of \$35 or 25% of those expenses, whichever is greater, for administrative overhead.

[Amended by Ordinance No. 6522, enacted Dec. 17, 1986; Amended by Ordinance No. 6619, enacted June 19, 1991.]

5.674 ASSESSMENT OF COSTS

- (1) The City Manager or his/her designee, by certified mail, postage prepaid, shall forward to the person responsible, if the owner, a notice stating:
 - (a) The total cost of abatement, including the administrative overhead.
 - (b) That the cost as indicated will be assessed to and become a lien against the property unless paid within 30 days from the date of the notice.
 - (c) That if the person responsible objects to the cost of the abatement as indicated, he/she may file a notice of objection with the City Manager not more than 10 days from the date of the notice.
- (2) Upon the expiration of 10 days after the date of the notice, the Council, in the regular course of business, shall hear and determine, pursuant to 1.025(5), the objections to the costs assessed.
- (3) If the costs of the abatement are not paid within 30 days from the date of the notice, an assessment of the costs, as stated or as

determined by the Council, shall be made and shall thereupon be entered in the docket of City liens. Upon such entries being made, it shall constitute a lien upon the property from which the nuisance was removed or abated.

- (4) The lien shall be enforced in the same manner as liens for street improvements are enforced and shall bear interest at the rate of 12% per annum. The interest shall commence to run from the date of the entry of the lien in the lien docket.
- (5) An error in the name of the person responsible shall not void the assessment, nor shall a failure to receive the notice of the proposed assessment render the assessment void; but it shall remain a valid lien against the property.

[Amended by Ordinance No. 6410, enacted December 20, 1982; Amended by Ordinance No. 6619, enacted June 19, 1991; Amended by Ordinance No. 13-05, enacted August 19, 2013.]

5.676 SUMMARY ABATEMENT

The procedure provided in [Sections 5.664 to 5.674](#) is not exclusive, but is in addition to procedure provided by other Code sections. The Officer, the Fire Chief, the Police Chief, or any other City official may proceed summarily to abate a health or other nuisance which unmistakably exists and which imminently endangers human life or property.

ADMINISTRATION AND ENFORCEMENT

5.680 ADMINISTRATION

- (1) For purposes of administering the provisions of [Sections 5.600 to 5.676](#), the City Manager shall appoint a Health and Safety Officer for the City. Such Officer shall have full power and authority to do any and all things necessary, incidental or proper in the enforcement of said Sections, excluding the power to arrest.
- (2) No person shall hinder or attempt to prevent the Officer, or anyone working under the authority of the Officer or the City Manager, from enforcing the provisions of these Sections.
- (3) The provisions of [Sections 5.600 to 5.676](#) shall also be enforced by the City police officers and such other City employees as may be so designated by the City Manager.

5.682 ENFORCEMENT BY CITATION

In addition to the abatement procedures set forth in [Sections 5.664 to 5.676](#), the Officer may issue a citation to a person responsible for a nuisance violation in lieu of a formal complaint.

5.683 ENFORCEMENT FEES

- (1) In order to defray the costs of enforcement of [Sections 5.600 to 5.660](#) (the Nuisance Code), the Public Safety Officer or his/her designee (the Officer) shall impose fees on those properties and owners of those properties which are found not to be in compliance with the Nuisance Code in those instances where the owner is the person responsible.
- (2) The City shall charge a monthly enforcement fee for each property that meets the following conditions:
 - (a) The property is subject of a written notice of violation, as described in [Section 5.685](#);
 - (b) A response period of 30 days has passed since the effective date of the initial notice of violation; and
 - (c) The property remains out of compliance with the initial notice of violation or any subsequent notice of violation.
- (3) The amount of the monthly enforcement fee shall be \$50 per month for the first 3 months. Thereafter the monthly fee shall be doubled every 3 months until paid in full.
- (4) Whenever the owner believes that all violations listed in the first or any subsequent

notice of violation have been corrected, they shall so notify the Officer. Upon receipt of such notice, the Officer shall promptly schedule an inspection of the property and shall notify the owner if any violations remain uncorrected. If compliance occurs after the 30 day notice period has run, a \$25 inspection fee shall be paid by the owner.

- (5) Once monthly enforcement fees begin, they shall continue until all violations listed in the first or any subsequent notice of violation have been corrected.
- (6) When a property meets the conditions for charging an enforcement fee as described in (2) above, the City shall then:
 - (a) Notify the occupant(s) and the property owner(s) of the assessment of enforcement fees;
 - (b) Record a property lien in the City Lien Docket and record a Notice of Pending Lien with Klamath County;
 - (c) Bill the property owner(s) monthly for the full amount of enforcement fees owing, plus an additional 10% to cover administrative costs together with interest at 12% per annum; and
 - (d) Maintain lien records until
 - (i) The lien and all associated interest, penalties, and costs are paid in full; and
 - (ii) The Officer certifies that all violations listed in the original or any subsequent notice of violation have been corrected.
- (7) Each person who has a legal or equitable interest in the property on or after the effective date of a notice of violation shall be personally liable for fees imposed pursuant to this section, including all interest, civil penalties, and other charges.

[Added by Ordinance No. 96-29, enacted Sep. 17, 1996; amended by Ordinance No. 96-37; enacted Dec. 3, 1996.]

5.685 NOTICE OF VIOLATION

If the Officer finds one or more violations of the provisions of the Nuisance Code, the Officer shall in writing notify the owner or the owner's local agent and the occupant of the existence of the violations. The method of serving the notice to the owner shall be one or more of those described in (3) below. Failure to comply with the notice shall be a violation of these Acts.

- (1) The notice of violation shall:

- (a) Give the street address and a legal description sufficient for identification of the property;
 - (b) Describe the violation at the property;
 - (c) Disclosure that fees, charges, and liens as described in [Section 5.683](#) may result from a failure to remedy the violations;
 - (d) Specify a response period during which the property may be brought into compliance with this Title before fees, charges, or liens will be assessed; and
 - (e) Disclose the owner's right to appeal the findings of the notice of violation.
- (2) The effective date of a notice of violation shall be the date of service of the notice to the owner. The date of service shall be the day on which the notice is:
- (a) Mailed first class to the property owner at the address shown on the last available assessment roll in the office of the County Assessor;
 - (b) Mailed first class to any local agent for the property; or
 - (c) Delivered personally to the property owner or any local agent for the property.
- (3) The Officer shall monitor compliance with the notice of violation through periodic tracking and inspection. Once a notice of violation has been sent, the owner shall be responsible for all enforcement fees associated with the property, as described in [Section 5.683](#), until the violations are corrected.
- (4) The Officer may set time limits in which the violations are to be corrected. Failure to comply with the time limits shall be a violation of these Acts.

[Added by Ordinance No. 96-29, enacted September 17, 1996.]

5.686 EXCEPTIONS TO ENFORCEMENT FEES

- (1) When all outstanding violations on a property, except those requiring exterior repair, have been corrected, the Officer may, at the request of the owner, temporarily suspend enforcement fees due to inclement weather until the following May 1st. Suspension of fees shall not in any case extend more than 1 year beyond the effective date of the initial notice of violation.
- (2) If the owner fails to correct violations within the stated period of suspension, the City shall immediately charge the full value of all suspended fees.

[Added by Ordinance No. 96-29, enacted Sep. 17, 1996.]

5.687 HARDSHIPS

- (1) When the literal application of the requirements of these Acts would cause undue hardship to the owner or occupants of the affected structure, an exception may be granted by the Officer upon application. The application shall state the reasons for the requested exception, and shall be in writing. However, regardless of hardship, an exception may only be granted when all safety and sanitary conditions are met. This Section shall not be construed so as to evade the provisions of these Acts.
- (2) Any exception granted by the Officer shall be in writing and shall state the reasons for granting that exception. A copy of the Officer's decision shall be kept in the files of the Planning Department.

[Added by Ordinance No. 96-29, enacted Sep. 17, 1996; Amended by Ordinance No. 14-11, enacted Nov. 17, 2014.]

5.688 APPEALS

Whenever a responsible party has been given an order pursuant to these Acts and has been directed to make any correction, to perform any act, or to incur any expensive, the party may have the order reviewed by the Code Enforcement Supervisor. If a review is sought, the party shall submit a written request to the Code Enforcement Supervisor within 15 days of the date of the order. Pending determination by the Supervisor, the order will be stayed. Following the review, the Supervisor shall issue a written determination.

[Added by Ordinance No. 96-29, enacted Sep. 17, 1996; Amended by Ordinance No. 14-01, enacted March 3, 2014.]

5.690 PENALTIES

Violation of any of the provisions of [Sections 5.600 to 5.660](#) is punishable by fine of not less than \$50, nor more than \$500.

[Amended by Ordinance No. 6522, enacted December 17, 1986; Amended by Ordinance No. 6619, enacted June 19, 1991.]

5.692 ABATEMENT IN LIEU OF FINE

The abatement of a nuisance is not a penalty for violating any provision in [Sections 5.600 to 5.660](#), but is an additional remedy. The

imposition of a penalty does not relieve a person of the duty to abate a nuisance. However, abatement of a nuisance within the time provided from the date of notice to abate, or, if a written protest has been filed, then from the date of Council determination that a nuisance exists, shall relieve the person responsible from the imposition of any fine under [Section 5.690](#) for that nuisance.

5.695 RECOVERY OF COSTS

Municipal Court Judge may award costs expended by the City to abate any of the nuisances listed in Sections 5.600 to 5.676. This recovery of costs is in addition to any penalty fine imposed by the Municipal Court Judge. [Added by Ordinance No. 14-10, enacted Nov. 4, 2014.]

5.700 RECEIVERSHIPS

In addition to, and not in lieu of any other provisions, when residential property is found to violate the City Code, Community Development Ordinance, Building Codes or Fire Codes and the violation is a threat to the public health and safety, the City may apply to a court of competent jurisdiction for the appointment of a receiver to perform an abatement pursuant to the Oregon Housing Receivership Act (ORS 105.420 to 105.455). [Added by Ord. No. 16-07, enacted July 18, 2016.]
